SHIMOGA DIVISION.

Notification dated 2nd August 1919.

It is hereby notified that a sum of Rs. 4-13-0 due to one H. Murty Rao, being his pay as acting guard on Rs. 7 at Shimoga depot during April 1908 is left undisbursed in this office accounts. Should he or his legal heirs fail to appear before the undersigned within three months from date of this notification the amount will be forfeited to Government.

Notification dated 2nd August 1919.

It is hereby informed that a sum of Rs. 50-6-3 is due from the department to late Segehatti Ramaswamy of Shimoga towards the part amount of security deposit lodged by him with the department in connection with his contract for supplying timber in the month of December 1910. Should the legal heirs of the deceased fail to appear before the undersigned within three months from the date of this notification the amount in question will be forfeited to Government.

Notification dated 9th August 1919.

Instances having come to the notice of the undersigned that claims of and over five years standing are being instituted against the department in connection with Forest Produce, both Major and Minor or for forest works done, it is hereby notified that all claims prior to 1917-18, if any, should be made to the undersigned within three months from this date. Complaints received after that date will be considered null and void.

M. MADHAVA,
District Forest Officer.

ENGINEERING DEPARTMENT.

GOVERNMENT OF MYSORE ELECTRICAL DEPARTMENT.

Notice dated 1st August 1919.

Notice is hereby given that sealed tenders will be received up to the 30th August noon, for the supply of the undermentioned articles required for the use of the Electrical Department.

2. Tenders should be submitted on their own forms accompanied by a list in the form given below, showing the rates at which the different items specified in the list will be supplied. Only the first quality materials are to be tendered for.

3. Each tender must be accompanied by a deposit of Rs. 200 as earnest money and be superscribed "Tenders for the supply of materials, required for the use of the Electrical Department" as per notice dated 1st August 1919, in default of which, tenders will be rejected.

4. The final acceptance of the tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer reserves the right of awarding any part or portion of the supply to any tenderer.

5. After tenders are opened, no change of rates under any circumstances will be allowed. They will be opened at 2 P.M. on the 1st September 1919.

6. The rate tendered for each item shall include cost of delivery at the stores of the Electrical Department or F. O. R. Maddur and shall be binding on the supplier from the date of acceptance to the date the complete supply is made. No charge will be allowed for packing or carting.

7. Materials supplied found not to be up to standard in quality or to other causes, will be rejected and the supplier shall remove and shall guarantee to replace same with fresh materials then and there. (All charges incurred on the rejected materials will be debited to the supplier.)

8. Should the successful tenderer fail to supply the required material or replace the rejected materials in time, the same will be purchased elsewhere and the difference in cost between the rate tendered for and that at which the material is purchased will be debited to his account.

S. G. FORBES,
Chief Electrical Engineer to the Government of Mysore.

BANGALORE DIVISION.

Notice dated 13th August 1919.

The public are hereby informed that the portion of Bangalore-Nandi road in the Dodballapur Taluk is under repairs and has been closed for wheeled traffic until further notice.

T. S. RAGHAVACHAR,
Executive Engineer.

MYSORE DIVISION.

Dated 13th August 1919.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 15th September 1919, for constructing a building for the bonded Depot at Mandya. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1920.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing a building for the Bonded Depot at Mandya," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
